

## Abundant Life Assisted Services

not only wants to provide private care services to your loved ones, but we also encourage philanthropy.

We offer you the opportunity to donate to a justifiable cause of your choice through our referral program.

The way this works is that when you refer a client to our free initial assessment, we will donate a monetary gift to the charity of your choice for every client that signs up.

This allows you to expand the reach of your organization or your personal mission.

WE THANK YOU  
FOR YOUR  
KIND GESTURE.

Since 2007, Abundant Life Assisted Services has always aimed to provide tender care in the sanctity of the home and private places of residence of those who need a helping hand with day-to-day life. With respect and pride we provide care as though our patients are family of our own.

We hire only the best certified nursing assistants. All caregivers are supervised and monitored by our registered nurse. We screen our employees to make sure they have the same dedication and values of our agency. Every employee has been drug tested and criminal background checked.
